1. Joan to check if Wilton Golf Course still okay for holding a night event. If yes, please let Peter know. (Latest: Rob Bailey has agreed to map Wilton Golf Course, probably later in the year.)
2. Duncan to add a note to Planners’ file saying they should ensure the map holder is kept in the loop on any proposed map changes. (Latest – Duncan checked the Planners File on the website – it does state that planner should obtain the latest map from the map holder and must return the file with a list of any map corrections made.)
