Paul Thornton’s “Map List incorporating Access Information” had proved very useful and it was suggested that anyone with new access information should send it to Paul so he can keep it updated.

Paul pointed out that Haxby Plantation is an interesting area to investigate for orienteering in the future.

Peter moved on to 9<sup>th</sup> March committee meeting minutes to follow up on some actions.

#### Some MATTERS ARISING from the March minutes

- 5.1 TRAINING – Saturday training had gone very well with good turnout. Our thanks to Duncan, Rob and Paul who had led the sessions and also to Neil who had led the junior training. How should we proceed in the future – **Peter will check with Neil Hunter regarding juniors.**
- 5.5 17<sup>th</sup> May – SNEATON (Parsley Beck) – Level C  
Moving ahead – there are no issues.
- 5.6 28<sup>th</sup> June – PRESTON PARK + EAGLESCLIFFE – Level C – YHOA League  
Paul is re-drawing the map which will be ready prior to the event. Regarding permission for private crossings **Paul will check with his sister** who lives in the area and let Ann know.
- 5.7 6<sup>th</sup> September – SOUTH GARE – Level C  
Paul says the map is 50% completed.
- 5.8 4<sup>th</sup> October – BOLTBY – Day 2 October Odyssey – Level B  
Joan has checked with Trevor Bailey, who looks after the sporting interests of the estate and he feels that this date is okay. Now need to apply officially to the Estate Office.
- 5.9 SUMMER SERIES  
Joe asked about map printing now that there is no CLOK printer – recommended that they go with Mick Lucking as he returns maps the next day.  
Teesside University is now not possible for the last in the series.
- 5.10 13<sup>th</sup> December – COD BECK + SCARTHWOOD MOOR + WHORLTON MOOR – Level C  
Duncan says that this event is now looking very dubious.

#### ANY OTHER BUSINESS

MAJOR EVENTS – Peter gave a brief outline of a note (already circulated around the committee) received from BO indicating that the BO Board is starting to review the vision or orienteering in the UK. Part of this review will be to consider our major events and in particular those that BO is responsible for. The first option being considered in this review process is that associations or clubs could apply/bid for major events and that the association or club would be wholly responsible for the outlay but keep any profit – known as the Franchise model. Duncan felt that there would still be a regional rota in operation. This is only the first option being considered. In due course BO will follow with other options for the delivery of major events. This will be on the agenda of the May meeting.

SPRINT TOPS – **Duncan will check with Aiden about the distribution of sprint tops to winners of the Autumn Sprint** and let Joan know.
